

LOVE'S TRUE MEANING

Verses - Jn 13:1, 4-9, 12-17
Refrain - Jn 13:12-17, Mk 10:45;
Lk 22:24-27

We look upon you now,
our Teacher and our Lord.
We watch as you bow down
and kneel before us all,
leave majesty aside
to wrap a towel around your waist
and teach us love's true meaning
is in serving.

**Lord, help us learn,
help us live just like you
and remember this great sign you give us:
only those who best know how
to love and serve
are the greatest in the kingdom of heaven.**

With wonder then we see
our Teacher and our Lord
bow down to wash our feet
then ask us something more:
to do as you have shown
and give love its true meaning,
to put ourselves aside and
serve each other.

Lord, help us learn...
